

Systematic & Applied Acarology Volume 17, No. 2 (25 Jun. 2012)

Table of Contents

Ticks

- 115 An annotated checklist of the ticks (Acari: Ixodida) of Germany
TREVOR N. PETNEY, MIRIAM P. PFÄFFLE & JASMIN D. SKUBALLA

Mites

- 171 Genetic variation among natural populations of *Euseius nicholsi* (Acari: Phytoseiidae) from China detected using mitochondrial coxI and nuclear rDNA ITS sequences
CHAO YANG, YUAN-XI LI, XIAN-MING YANG, JING-TAO SUN, XUE-NONG XU & XIAO-YUE HONG
- 182 Ptyctimous mites (Acari, Oribatida) from southern Ethiopia with description of three new species
WOJCIECH NIEDBAŁA & SERGEY G. ERMILOV
- 191 A new species, *Aceria neopaederiae* (Acari: Eriophyidae), infesting *Paederia foetida* L. (Rubiaceae) in Thailand, Hong Kong and Singapore
P. KONVIPASRUANG, A. CHANDRAPATYA, J.W. AMRINE, JR., R. OCHOA, G. BAUCHAN & P. PRATT
- 202 A new eriophyoid mite species (Acari: Eriophyidae) infesting *Haloxylon ammodendron* and *H. persicum* (Chenopodiaceae) in Xinjiang Uigur Autonomous Region, northwest China
XIAO-FENG XUE, JIAN-PING ZHANG, FENG-LIAN LI & XIAO-YUE HONG
- 210 A new species and new record of *Stigmaeus* Koch (Acari: Stigmaeidae) from northwest Iran
ELHAM ZAREI & MOHAMMAD BAGHERI
- 217 *Eustigmaeus nahidae*, a new species of the genus *Eustigmaeus* Berlese (Acari: Stigmaeidae) from northwest Iran
SAEED SADAT GHEBLEALIVAND, MOHAMMAD BAGHERI & HAMED GHORBANI
- 224 Biological notes and risk status of *Brevipalpus phoenicis* (Geijskes, 1939) (Acari: Tenuipalpidae) in New Zealand
JOCELYN A. BERRY & QING-HAI FAN

231 A new species of *Schizotetranychus* (Acari, Prostigmata, Tetranychidae) from the Chilean fauna, with a few remarkable morphological features

CARLOS H.W. FLECHTMANN & LOURDES EUGENIA PERALTA-ALBA

239 New Zealand records of *Carpoglyphus lactis* (Acari: Carpoglyphidae)

ZHI-QIANG ZHANG

Systematic & Applied Acarology is indexed in *BIOSIS Previews*, *CAB Abstracts*, *Current Contents/Agriculture, Biology & Environmental Sciences*, *Journal Citation Reports*, *Science Citation Index Expanded*, and *Zoological Record*.

Systematic & Applied Acarology will be published quarterly in 2012.
